**INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED  
CONSOLIDATED FINANCIAL STATEMENTS**

**TO THE SHAREHOLDERS  
ALUJAIN CORPORATION  
(A Saudi Joint Stock Company)  
Riyadh, Kingdom of Saudi Arabia**

**Introduction**

We have reviewed the accompanying interim condensed consolidated statement of financial position of **ALUJAIN CORPORATION (A Saudi Joint Stock Company)** (the "Company") and its subsidiaries (the "Group"), as at June 30, 2024, and the related interim condensed consolidated statements of profit or loss and other comprehensive income for the three and six month periods ended June 30, 2024, and the interim condensed consolidated statement of changes in equity, and interim condensed consolidated statement of cash flows for the six months period then ended, and other explanatory notes. Management is responsible for the preparation and presentation of these interim condensed consolidated financial information in accordance with International Accounting Standard 34, "Interim Financial Reporting" ("IAS 34") that is endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

**Scope of Review**

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" as endorsed in the Kingdom of Saudi Arabia. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with IAS 34 "Interim Financial Reporting" as endorsed in the Kingdom of Saudi Arabia.

**Emphasis of Matter**

We draw attention to note (18) to the accompanying interim condensed consolidated financial statements, which discloses material restatements made to the six months period ended June 30, 2023 and its opening balance as at January 01, 2023. These restatements arose due to the valuation of goodwill and customer relationships. Our conclusion is not qualified in respect to this matter.

#### 2- BASIS OF PREPARATION

##### 2-1 Statement of compliance

These interim condensed consolidated financial statements have been prepared in accordance with International Accounting Standard 34 - “Interim Financial Reporting” (“IAS 34”) and other standards and pronouncements, as endorsed by Saudi Organization for Chartered and Professional Accountants (“SOCPA”) in the Kingdom of Saudi Arabia (“KSA”).

These interim condensed consolidated financial statements do not include all the information and disclosures required in the annual financial statements and should be read in conjunction with the annual audited financial statements for the year ended December 31, 2023.

##### 2-2 Basis of measurement

These interim consolidated financial statements have been prepared on a historical cost basis, except for the items which are measured at fair value, present value, net realizable value and replacement cost in line with the accrual basis of accounting and going concern.

In addition, results for the period ended June 30, 2024 are not necessarily indicative of the results that may be expected for the financial year ending December 31, 2024.

##### 2-3 Functional and presentation currency

The interim condensed consolidated financial statements are presented in Saudi Riyals which is also the Group’s functional currency and all values are rounded to the nearest thousand Saudi Riyals, except when otherwise indicated.

---

#### **2-BASIS OF PREPARATION (CONTINUED)**

##### **2-4 Income and cash flow statements**

The Group has elected to present interim condensed consolidated statements of profit or loss and interim condensed consolidated statement of comprehensive income separately and presents its expenses by function.

The Group reports interim condensed consolidated cash flows from operating activities using the indirect method.

##### **2-5 Basis for consolidation**

Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if, and only if, the Group has:

Power over the investee (i.e., existing rights that give it the current ability to direct the relevant activities of the investee):

- Exposure, or rights, to variable returns from its involvement with the investee
- The ability to use its power over the investee to affect its return.

Generally, there is a presumption that a majority of voting rights results in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement(s) with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Group's voting rights and potential voting rights

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed off during the year / period are included in the interim condensed consolidated financial information from the date the Group gains control until the date the Group ceases to control the subsidiary.

Income and each component of other comprehensive income are attributed to the equity holders of the part of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the information of subsidiaries to bring their accounting policies in line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction.

If the Group loses control over a subsidiary, it derecognises the related assets (including goodwill), liabilities, non-controlling interest and other components of equity, while any resultant gain or loss is recognised in interim condensed consolidated statement of profit or loss. Any investment retained is recognised at fair value.

##### **2-6 Using judgments and estimates**

In preparing these interim condensed consolidated financial statements, management has made judgments and estimates that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

The significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those described in the last annual consolidated financial statement.

#### **3- MATERIAL ACCOUNTING POLICIES**

The accounting policies adopted in the preparation of the interim condensed consolidated financial statements are consistent with those followed in the preparation of the Group's annual consolidated financial statements for the year ended December 31, 2023.

#### **4- NEW STANDARDS, AMENDMENT TO STANDARDS AND INTERPRETATIONS**

There are no new standards issued, however, there are number of amendments to standards which are effective from 1 January 2024 and have been explained in Group annual consolidated financial statements, but they do not have a material effect on the Group's interim condensed consolidated financial statements.

##### 6.1 Goodwill

On November 11, 2021, Alujain Corporation has gained control over NATPET as a result of minority rights lapse after amendments to NATPET's By-Laws. Consequently, NATPET became a subsidiary of Alujain Corporation on that date.

The acquisition as mentioned came as a result of changes in the Company's by-law of NATPET, where the acquisition took place without a transfer in exchange for a consideration and without an increase in the ownership of Alujain Corporation in the subsidiary NATPET.

Alujain has fulfilled all the requirements for controlling NATPET in accordance with the IFRSs, which was previously announced in the Saudi Stock Exchange (Tadawul) on January 30, 2022. At the date of obtaining the control, the Group included NATPET's financial statements within its consolidated financial statements. At the acquisition date, the Company appointed an independent accredited valuator to evaluate NATPET, and as a result of the evaluation, a goodwill amounting to SR1,205 million was recognized.

The evaluation of NATPET also resulted in a profit against the shares owned in NATPET previously to the date of control of 74.98% an amount of SR 1,352 million.

The Group's management conducted an assessment of goodwill as of December 31, 2023, and the evaluation did not result in any impairment losses in the value of the recognized goodwill.

##### 6.2 Customer relationships

The customer relationships were acquired as part of a business combination. They are recognized at their fair value at the date of acquisition and are subsequently amortised on a straight-line method based on the timing of projected cash flows of the contracts/ business over their estimated useful lives; 6 years.

The amount of the customer relationships value amounted to SR 328.5 million at the acquisition dated November 11, 2021.

**18- COMPARATIVE FIGURES AND PRIOR YEARS ADJUSTMENTS**

During the year 2023, management identified necessary adjustments to the prior years consolidated financial statements, primarily concerning the valuation of goodwill and the treatment of customer relationships associated with the acquisition of NATPET on November 11, 2021. The principal objective of these adjustments is to segregate the customers relationship from goodwill, thereby facilitating a more precise assessment of their respective values. Consequently, in accordance with International Accounting Standards, it was determined that the customers relationship asset should be amortized over its useful life (6 years), ensuring compliance with financial reporting requirements and enhancing the accuracy and transparency of the consolidated financial statements.

Moreover, a reclassification has been made regarding the noncurrent portion of prepaid expenses, which are expected to be utilized beyond twelve months from the date of the consolidated financial statements. Additionally, another reclassification has been conducted between property, plant, and equipment and projects under construction. This reclassification involved transferring the amount of capital work in progress previously categorized within property, plant, and equipment.
